Benefits of Membership

Continued from page 13

Lawyer Referral Service which CCCBA calls the Attorneys’ Reference Panel (ARP). This is a wonderful service to the public and to the attorneys. Special malpractice insurance rates are offered to members through Lawyers’ Mutual to cover cases referred through ARP.

The Bar is beginning work on the 1994 pictorial membership directory. Again, the Bar is offering listings for specific practice areas. As a member, your name and address will be listed. You may also choose to pay an additional fee to list a practice area. Hopefully, you will have your picture taken. (You should have received your Membership Directory “packet” by now.) This is a valuable resource tool for lots of people.

The CCCBA is also involved in various community activities. Members participate in programs sponsored by Contra Costa Legal Services Foundation, Legal Assistance for the Elderly, Battered Women’s Alternatives and Food from the Bar programs to name a few. The members act as arbitrators in fee dispute matters.

The Bar is always looking for ways to improve the association. What would you like the Bar Association to do that it is not currently doing? Susan McKeen would like to know what would make your life easier. If you have questions, comments or suggestions, please call Susan at 686-6900, write to 1001 Galaxy Way, Suite 102, Concord, CA 94520-5736 or send a fax to 686-9867.

Susan McKeen is the Executive Director of the Contra Costa County Bar Association.
